

PERMISSION AGREEMENT

Under FEC rules, the Minnesota Credit Union Network must have a signed copy of this document on file for your credit union board members, and executive or administrative employees to participate in any CULAC related event. CULAC is CUNA's federal political action committee that raises funds from individuals and uses those resources to support credit union friendly candidates on the federal level.

For 2023

This agreement does not give the Network, or CUNA if the Network delegates its solicitation rights to CUNA, the right or ability to directly send general solicitation mailings to the credit union's members. Any such general solicitation materials will first be sent to the credit union board, which can then decide whether or not to redistribute them. This agreement does give the Network, or CUNA if the Network delegates its solicitation rights to CUNA, the right to solicit this credit union's members and executive or administrative personnel for contributions to CULAC through participation in the Capital Club, or other fundraising events including but not limited to drawings held at the Fall Conference, Annual Meeting, Chapter meetings and the GAC. The credit union may only grant permission to solicit its members and executive or administrative personnel to one trade association per calendar year and hereby grants its permission to CUNA and the Minnesota Credit Union Network for the year indicated. The credit union may grant permission for multiple years and you are encouraged to do so.
